EXPERIENCE

eBay Inc.

Visual Designer

San Jose, CA

(Sept 2012–Present)

- I work with the Global Brand Team, and a large part of my job is to Pre-Visualize 'PreVIZ' ideas just as a project begins. We work across the organization to define problems, explore opportunities and visualize the future as we push design culture forward at eBay. We use UX, visual design, video, motion graphics, and photography to help solve problems and tell great stories.

Aleph Surf International
